Merry Christmas!

It is hard to believe 2011 is already coming to a close. As we reflect on another year gone by, we can't help but count our blessings.

We have so many wonderful and supportive clients who have honored us this year with the privilege of caring for their furry family members. We have a skilled and dedicated staff who devote themselves every day to providing the very best patient care and client service. And, we are lucky every day to do work which makes a difference in the lives of others.

Thank you to each one of you for being part of our circle of family and friends. We are so grateful to all of you!
