Pampered Pet Playschool Daily Schedule:

Must arrive by 8:45 AM for morning playtime or 12:45 PM for afternoon playtime. Dogs are divided by size and activity level and times for each group may vary each day. When not in the playroom dogs have a private room where they can relax and rest. Our playtimes are very active and the dogs are generally ready to take their break between sessions! We will feed your dog lunch during the mid-day break if you would like to bring their food.

Daycare Holiday Schedule:

Due to the large number of pets boarding over holidays, daycare is limited around major holidays, including New Years, Memorial Day, 4th of July, Labor Day, Thanksgiving, and Christmas. Please call in advance if you have questions.

Baths with Daycare:

Dogs may be bathed while here for daycare. *Please make an appointment for the bath in advance.* Pets will play in their morning session and then be bathed. They will not play in the afternoon and will be charged a half day of Daycare.

Admission and Discharge Hours

8 AM to 3:30 PM on Saturday
Closed Sundays and Holidays
Premium baths/lo shed available on Tues, Wed, Thurs only.

Standard Bubble Baths

A standard bubble bath includes bathing, a pedicure (nail trim), ear cleaning, and the anal glands will be expressed if needed or requested. We will dry and lightly brush out the coat. (Does not include hair cutting, shaving, styling, mat removal, or thinning/stripping/low-shed treatments.)

Premium Bubble Baths

A premium bubble bath includes all the services of a standard bath, plus a deep scrub and massage, hand drying and fluffing, extended brushing, trimming of the foot pads and sanitary areas if needed, and light mat removal (2-3 localized mats). Fees apply for added mat removal (\$15-\$25). Bathers cannot remove heavy matting which requires shaving the body.

Low Shed Treatments

Special shampoos and intensive work with special brushes can remove excess hair. Low shed is not NO shed, but reduces shedding for about 4 weeks. Add to a premium bath for \$25.

Frequent Lo Shed Program

Lo Shed works best when dogs are treated at least every 4 weeks. If your previous Premium Bath/Lo Shed treatment was within the last 4 weeks you will receive a \$10 discount off the Premium Bath/Lo Shed. Schedule your next Premium Bath/Lo Shed at the time of discharge to reserve your appointment.
